Please join the General Grant National Memorial to celebrate the 146th anniversary of the ratification of the 15th Amendment to the U.S. Constitution.

This amendment, which established that the *"...right of citizens of the United States to vote shall not be denied or abridged by the United States or by any state on account of race, color, or previous condition of servitude,"* became law on February 3, 1870. It is seen as a signature event of the administration of President Ulysses S. Grant.

Ranger-led discussions will be offered at the visitor center at 11:15 and 3:15, and will last about 30 minutes.
